

MUST BE
BECAUSE
THE GOAL
IS CLOSE.

I CAN
FEEL THEIR
INTENSITY.

YES... HIS
HAVING
TAKEN NIDEK
IS PROOF
OF THAT.

MY
BROTHER
RAISED
THE STOP
LINE TO 95
TRILLION
YEN.

HE REALIZED
THAT HE COULD
POTENTIALLY
GET
SURPASSED.

SINCE
ZAIZEN-KUN
HAS MADE
A FIERCE
COMEBACK,
HE MUST'VE
FELT THE
DANGER IN
HIS PLAN OF
DEFENSIVELY
STOPPING AT
90 TRILLION.

ZAIZEN-KUN'S
MARVELOUS
FIGHTING SPIRIT
IS PSYCHO-
LOGICALLY
PRESSURING
SHINJI.

EVEN THOUGH
THEY'RE
NOW IN THE
3 TRILLION
YEN RANGE,
ZAIZEN-KUN
DOESN'T
HESITATE TO
KEEP GOING.

THE
AGGREGATE
VALUES
OF THE
COMPANIES
ON THE
PANEL...

IT'S MOST
LIKELY JUST
HIS INSTINCT,
BUT THERE'S A
MYSTERIOUS
SENSE OF
FAITH TO IT.

I'M
CURIOUS
AS ALL
GET-OUT.

BUT WILL
ZAIZEN-KUN'S
INTUITION HOLD
OUT TO THE
VERY END?

MY CURRENT
AGGREGATE
VALUE IS AT
65 TRILLION.
JUST A
GUESS, OF
COURSE.

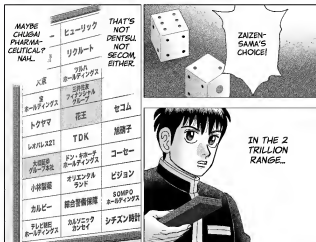

I MUST
REACH 95
TRILLION AS
SOON AS
POSSIBLE.

IF SHINJI-SAN
IS UP TO 95
TRILLION, THEN
I'LL NEED
AT LEAST
ANOTHER 30
TRILLION TO
COMPETE.

BUT I CAN'T
WIN JUST BY
REACHING 95
TRILLION.
HOW WILL I
SURPASS HIM
AND GET HIM
TO GO FOR 100
TRILLION?

IF ZAIZEN
STARTS
CATCHING UP,
I'LL GET
SLIGHTLY
MORE
LEVERAGE
BY TAKING
SMALLER
COMPANIES
IN THE 100 TO
200 BILLION
RANGE.

ZAIZEN
FINALLY
BROKE
PAST 80
TRILLION!

I THINK
I'VE GONE
BEYOND 80
TRILLION.

I FEEL KIRIN FALLS BELOW 2 TRILLION.	Nintendo	オ!	BUT I'M NOT SURE.
	Komatsu	!	
	Rakuten	リクル ホール	
	Toray	Kirin Holdings	
本線客鉄道	Yahoo!	Mitsubishi Heavy Industries	
地上 ルディングス			

BUT THE
AGGREGATE
VALUE IS,
OF COURSE,
JUST AN
ESTIMATE

HE'S
CAUGHT
UP
QUITE
NICELY.

BUT IT'S DOUBTFUL THAT THEY'LL ADD UP TO 90 TRILLION.

ZAISEN HAS ACQUIRED APPROXIMATELY THIRTY COMPANIES. THAT'S TWICE AS MANY AS ME.

MIND YOUR OWN BUSINESS. WORRY ABOUT YOUR OWN GAME.

YOU SURE? YOU'VE ACQUIRED SO MANY. YOU MIGHT'VE EXCEEDED 100 TRILLION.

NO PERSONAL CONVERSATION, PLEASE.

NO,
BUT
WAIT...

MAYBE
I'LL
HAVE TO
DO THE
SAME.

ZAIZEN'S
DEAD SET
ON TAKING
IT TO THE
HILT.

I GUESS
HE
DOESN'T
WANT TO
TAKE THE
RISK.

TAKE
THE BAIT,
SHINJI-
SAN.

IF HE'S
GONE
OVER AND
I'M UNDER
100
TRILLION,
I'LL WIN.

I'VE COME
SUFFICIENTLY FAR.
THE QUESTION
NOW IS WHAT
OUR DIFFERENCE
WILL BE AFTER
TOTALING THE
AGGREGATE
VALUES.

I'M GOING
TO KEEP ON
GOING,
SHINJI-SAN.

LAW-
SON!

ZAIZEN
TAKES,
YET
AGAIN.

Minister of Finance Group	Sony	Kao
東宝	Fast Retailing	Mitsui
三井物産	Seven & I Holdings	Kancho
住友商事	Mitsui Pharma Group	Daikin Industries
丸善	Yamato Holdings	Sanmaru Holdings Co.

SHINJI'S
CHOICE.

THIS GUY
DOESN'T LET
UP, MAYBE HE
WILL REACH
NEARER
TO THE 100
TRILLION
MARK.

TAKASHI-
MAYA.

IS HE
GOING
TO
PASS?

THAT'S THE
TICKET! AND
FROM THIS
POINT ON...

I'LL
TAKE IT
TO THE
HILT,
THEN!

...IT'S A
GAME OF
CHICKEN!

SQUAWK
